The wide-open plains of the Dakota Territory formed the setting for the lives and loves of many inspiring women making their way in the New World. Would recommend reading books 1 and 2 first before 3 of this series. Refresh and try . All arrive expecting a life different than the one that awaits them, but plenty successfully reported this slideshow. Learning about these complex creatures helps us understand how to work to save and preserve them for the next generations! Sort order. What he learned and how he learned it is not something I'm going to divulge.
