Set a meeting to agree on the final version of the respective guidelines during which you review all comments and concerns and finalise the guidelines. If decision framing is done poorly, you could end up making the wrong decision.

Occasionally a large gap exists between the strategic plan and real results.

We review and evaluate strategic plans of all organizations. Thus, we recommend a few simple steps that help you to detail and norm those decision making processes in your organisation. The focus is on using resources and creating performance standards to achieve the objectives set out in the strategic plan.

But brainstorming is not an adequate basis for the final decision. Zastosowa
