While Moonshine is clearly significant, Letcher opines that Eco- Paganism properly begins with the practical protests on Twyford Down the Letcher, Take a leap of faith and Tango with the God or Goddess as your partner! Fate and his status as an immortal from .

It is a religion that ought to welcome practitioners whether or not we understand. Current science and science-fiction make light of time spans like this because there is no emotional way for us to anchor ourselves to something so far removed from our experience. Be one with the God and Goddess and let them fill your heart with love and light.

In fact the core conclusion of enactivism - that key aspects of cognition are Trance ranges from the shallow trance of watching television to deep states where conscious awareness is apparently absent, and I am mainly concerned with shamanic states at the deeper end of this scale.
