These connections are most clearly illustrated in the path of a bullet, a thread of string, or a banner of text. Creative Empowerment at CoSM. My compositions have a forced perspective, a fictional depth of field.

It try to use one line to make the drawing flow, and to lead the viewer's eye through. But the greatest suffering was the privation of the sight of God. Florence: Villa I Tatti, p

The Sacred Heart could not contain it. Beyond the attempt at an honest response to the motif is the music and poetry of form, color, gesture, and intensity of surface, and the exploration of these elements as metaphors for the human condition.

Undoubtedly, the Lord is owed praise for the fruits produced in the period after the Second Vatican Council, one of which is the commitment of a great number of exegetes and

theologians who study and explain the Scriptures "according to the sense of the Church" and interpret and present the Word, written in the Bible, within the context of a living Tradition.
