Furthermore, while they diminish the trust of the reader in the author-as-narrator, they strengthen the reader's trust in the author-as-writer: in a genre rocked by scandal, the writer who admits her own faults seems more reliable than the writer who presents herself as perfect. Vultures circling overhead would soon dive down to consume the bloated remains of Fellaheen abandoned by craven Generals fleeing catastrophe. This collection of essays frames the idea of emotional risk and reward in the novel. This is my favorite novel of all time. I took out my phone and taped a bunch of the readings and that led to Andrew Miano, the day-to-day producer who is on set everyday, with these images.

Eve Makis studied at Leicester University and worked as a journalist and radio host. I made a list of not-yet-written moments I planned to tackle, mostly big Traumas and little traumas. Very moving.
