Add to basket. Conrad's Last Campaign. But something kept nagging at me.

Fornow, avoid forcing the issue with mere "lists" of works possessing an arbitrary name. A good rule of thumb is that series have a conventional name and are intentional creations on the part of the author or publisher. The series ends in the best of Leo's tradition of rousing adventure intermixed with the engineering details that he fleshed out in his earlier work. Product Details. I love the engineering and technical stuff in this series of books, but beware novels in the Locus best-selling series in one volume. This has simplified dialogue and major actions and that's it.
