Sharing the value of a positive attitude in overcoming challenges and the importance of giving back, Women Like Us: Illuminating the World presents a collection of narratives about women from around the world who have changed their lives and the lives of others through their service and dedication. More jobs requiring advanced degrees are up-or-out – make partner or leave, for example. Get to Know Us.

RetrievedMarch24,After starting in a career of commercial art and graphic design, she began to take classes in calligraphy, in which she and her instructor discovered she had a gift. Additionally, there are no essays about medieval women included in the book, the focus is the illuminations--yes, the reader will hear snippets about Heloise and Abelard and the lives of various saints, but not as much overall context of the time period.
