Language: German. In addition to the labor law support of day-to-day operations, the work-related supervision and implementation of complex operational and inter-company restructuring and reorganization, including the necessary negotiations with company and collective bargaining parties in this context, form a focus of his work. The brief and clear management overview provides a general feel for the market and their customers, quickly revealing the overall situation as well as potentially delicate issues. AsktheLEOcommunity.This new feature displays references to sentence pairs from translated texts, which we have found for you on the Internet, directly within many of our PONS dictionary entries.
