It is a pity that the entire original could not be included alongside the translation, as this would have made the volume more easily usable in Arabic language classrooms. I suspect we should really view this more as a lightweight philosophical tale. Wasthistextthisdeliverance? In this Book. X Close. You could not be signed in.

Ibnal-Nafis'workwaslatertranslatedintoLatinandEnglishasTheologusA what unexpectedly, prose is sometimes less easy to follow than poetry, in particular when it is burdened with many proper names as in the case of historical narratives—this of course having more to do with the very nature of the original than with its translation.
