Hal shows that lynching was not only used to enforce labor  
contracts, maintain racial etiquette and the socio-economic  
status quo, but was also effective in re-inscribing gender  
roles among whites. Furthermore, feminist critiques of  
conventional conceptions of power and the identity of the  
state lead to a re-evaluation of the meaning of security.

Maria Lugones gives a phenomenological description of what it  
is like to shift between identities as a person of mixed race  
or a hyphenated identity.

Despitethesecriticisms to therealisticvisionofthepowerofMorgenthau,  
first epistemology starts from the premise that "modern  
science provides a valuable way of knowing that activities of

women in the world, and therefore, is a potentially helpful tool for recovering and valorising feminist contributions to civilization" Sylvester,p. Seeing war through the eyes of a woman can change the very nature of what constitutes the boundaries of IR, shifting the focus from the causes and costs of inter-state war to the drastic consequences individuals suffer due to militarisation and oppression Tickner,; Steans,
