The low post must sprint across to take away the corner three-point shot, the rover must switch denial positions on the air time of the pass, and the two other defenders must establish help position as soon as possible. At the end of that first season, teams had averaged less than three 3-point attempts per game. Defending The Three-Point Shot the basketball does arrive on the wing, the wing defender on that side of the court will pressure the basketball.

Whowouldcoverthehighpost?Storycontinuedbelow They have taken to the so well that they have their own way of playing it. A team could analyze different shot types such as corner 3-pointers as compared to other 3-point locations as well as the relative return on midrange jump shots from 15 feet where they are possibly riskier while only yielding 2 points as a return. JohnAdamsis a senior columnist. I have been using a zone defense with small inexperienced 5th and 6th grade girls and we hold the other teams to half of what they are used to doing. He can be heard Monday through Friday from p.
