They need to address their fears and come to reason that they need to educate themselves before making such a uneducated comment. Henry: 13 Books of Short Stories. Accordingly, if you are not sure whether material infringes your copyright, we suggest that you first contact an attorney.

If they took the time to learn the beauty of Islam, taught correctly, they would. Even after reading those passages dealing with the female dress code, one continues to wonder what exactly the hijab is: is it a simple scarf? Challenged, he decides, with some humour and to avoid an argument, to take the seemingly trivial case. And let them not stamp their feet so as to reveal what they hide of their adornment.

They go to the basement and make their way up. Learn Religions uses cookies to store information on your device to enhance navigation, improve site usage, and assist in our marketing efforts. 5: More Protection Means a Greater Feeling of Ease and Peace Security is a human need that when felt naturally leaves a human being in a state of relief and encourages feelings of ease and peace. A public space free of sexual tensions is seen as a more harmonious and peaceful place for human beings, men

and women, to interact, do business, and build a healthy civilization.
