By the time he was done, more than a hundred books were stacked up in the attic. Besides being packed with provocative ideas and insights, this book is a model of how best to raise difficult political differences within a movement. Thank you .

Sure,bothoftheseEarthFirst!While I agree with Murray and Dave that the ecological crisis is serious, I am not sure I agree with their strategic approaches for making change. Given such an argument, our ethical relationship with nature is neither better nor worse than the success with which we plunder the natural world without harming .
