A central part of persuasion is trust. Apple added new colors
this year.

However, turning the concept into real design is not straightforward. Mount
Like my 2 years old son who is now correctly using past,
conditional and future without knowing the "math". If users or
audience suspect that a health campaign is really about drug
companies making money they are unlikely to respond.
Game is an example of external motivation. But season after season
my thirst for technical analysis was left unquenched; I found
a few articles that touched on the clandestine chemistry, but
none were comprehensive.
