In this respect, it retains all the clarity of its vision, even a half-decade after its first screening. After years of looking for locations, it is in the medium mountains that he found the most isolated people. Rouch:8. Over a three-month period, they work together to decide what is best for the baby's future and find the best possible adoptive parent. It should be said that the film was reconstructed only after the initial shooting because the need to rewind our little movie camera manually [meant that] hardly any single shot lasted

more than 20 seconds.

After scanning, the sound was digitally cleaned and background noise reduced.

Dorothy Lamour is seen standing in a doorway, Robinson says in a voice-over:.
