The kind of music played by the band is hard to describe: someone defined it "experimental progressive rock". Claudio plays in a band that accompanies theatrical performances. During our live concerts we play without help of other musicians and without basis, for the recordings' sessions of our songs we made few overdubs.

I enjoy listening to an insane amount of records, very carefully, I let any of them grow on me and somehow analyze. Which are your favourites album? Italy is not a location that comes up all that often in conversations about heavy metal - in fact, it has quite often been unfavourably compared to its neighbours in Europe.

Eveninanyreligion,ifyoureallyfollowthebelievesatyourbest,you'llga

by bands such as Wintersun, Opeth and Trivium they create an immersive experience complete with custom stage clothes and decorations to go along with their mixing of extreme guitar melodies, power metal riffs, acoustic guitars, and powerful vocals both clean and rough supported by blasting and eclectic drums.
