Two old friends draw closer to their goal of bringing together a pair of exiled toy makers in order to reanimate a mechanical boy prince Wildwood Chronicles Series3.

The owl who built the mini Eiffel tower seems completely useless and doesn't. However, when they go with Prue to the exact same location, from the exact same location from the Great Tree to the Ossuary Tree it says it only takes a couple hours. Several months have passed, and many changes have taken place within the province of South Wood following the revolution orchestrated by Prue and Curtis in the first novel. There, Prue finds a Kafkaesque bureaucracy and dysfunctional government. M is no real villain in Wildwood, save for the selfishness and short-sightedness that can tempt us all at any time.
