NARRATOR: The Dover school board demanded that science teachers read their students a one minute statement claiming that gaps in the theory of evolution exist, and putting forward intelligent design as an alternative. Da Vinci will always remain something of an enigma, because the inner turmoil he communicated so poignantly in his paintings is not something he described in his otherwise comprehensive notebooks. Right from the start, we were riveted to read of a ship sunk on a sunny afternoon within sight of shore—with over a thousand lives lost.
